FREQUENTLY ASKED QUESTIONS

DO I QUALIFY FOR A RAD SCHOLARSHIP?

Single parents who make under \$40k a year or parents who jointly make less than \$60k a year qualify for our scholarship. We also take into consideration parents' work schedules and need for childcare services.

WHAT DOCUMENTS DO I NEED TO SUBMIT?

We need 3 items from you:

1. Current tax forms that list your income (with SSN blacked out)
2. A brief scholarship request letter, with an explanation of your needs
3. Our financial assistance form, with your preferred program and amount of trips selected (See Below)

HOW LONG WILL IT TAKE TO MAKE A DECISION?

Our timeline for responding to scholarship applications is 1-2 weeks from the date received.

HOW MANY TRIPS CAN MY CHILD GET?

You are welcome to request as many RAD Camps days as you like. Scholarship trips are awarded based on our sponsor funding and how many trips we have already allocated to families.

IS THIS A ONE-TIME APPLICATION OR CAN I APPLY FOR MORE TRIPS LATER IN THE SUMMER?

You only need to submit your application once. However, if you get through your allocated scholarship trips and would like to request more, please email us and ask! If we have funds available, we are happy to reconsider.

HOW DOES REGISTRATION WORK FOR SCHOLARSHIP TRIPS?

Once you are awarded trips, a RAD team member will reach out via email and ask what dates you would prefer for camp. We are usually able to assign campers to any date they would like, but specific locations are trickier. You are welcome to list specific places you would like your child to visit, but there is no guarantee we have room in the van. We will get you signed up and let you know your camp dates!
